

Global GameChangers

— A GLOBAL FORCE FOR GOOD —

DETAILED REWARDS PLAN EFFECTIVE DECEMBER 15, 2018

INTRODUCTION

Welcome to the Global GameChangers Movement! We are excited and blessed to have you align your time and talents as we strive to become a united Global Force For Good that is synonymous with **TRUST, TRANSPARENCY, and TRANSFORMATION!**

Before we go through the specific details of our Rewards Plan:

Please know that the primary focus of The Global GameChangers Movement is on **People and Purpose over Individual Profits. No one should ever join as a Ripple Maker™ with the sole intent to make money. Connections, contributions, and a true desire to help others must be paramount!**

Commissions are ONLY paid on the sale of *LifeChangers* Purpose-Driven Vacation Club Memberships™ and future Purpose-Driven Products and Services that are purchased from our participants. Commissions are NEVER made on the recruitment of other independent representatives (“Ripple Makers”) or their representative fees.

PARTICIPANTS

There are Three (3) ways to participate in The Global GameChangers Community (“**GGC Ecosystem**”) in order to help grow The Global GameChangers 501(C)(3) Foundation:

- 1) LifeChangers Club Members (“**LC**”)
\$250 One-Time Initial Activation
 \$20 of this Serves as a Donation to The Global GameChangers Foundation
 \$100 lifetime credit to be used on a LifeChanger Purpose Driven Vacation
\$45 Monthly Membership to Remain an “Active” Member
 \$5 of this Serves as a Donation to The Global GameChangers Foundation

- 2) Independent Representatives (“**Ripple Makers™**” or “**RM**”)
Ripple Makers™ are the only Participants who can earn commissions.
\$60 One-Time Activation of their Ripple Maker™ Business Center (RMBC)
\$15 Monthly RMBC) Representative Fee to Remain “Active”

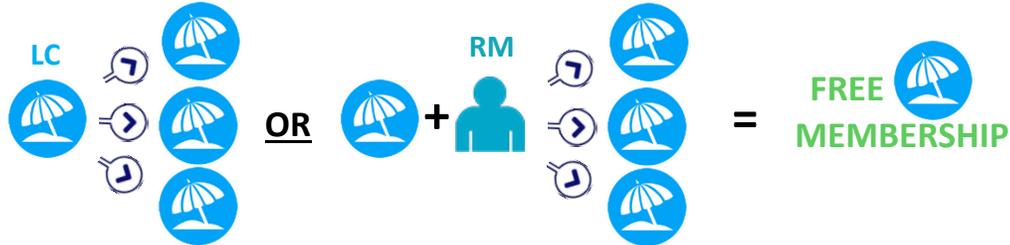

- 3) Donors Only to the The Global GameChangers Foundation (“**Champions**”)
Champions can donate any amount of money they wish to our Foundation, knowing that 100% of their donations go to our Foundation’s Strategic Charity Partners. *No commissions are ever paid to Ripple Makers™ on donations!*

REFERRAL PROGRAM

A LifeChanger Club Member (LC) or LC + Ripple Maker™ (RM) can personally Refer 3 other LC's to waive their ongoing monthly LC Membership Fee*

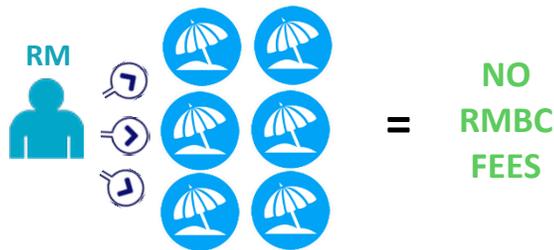

*The 3 personal referrals must remain "Active" in order for Fees to remain waived

By default, an LC or LC + RM who has referred 3 other LC's will continue to be charged \$5 as a 100% donation to The Global GameChangers Foundation (this can be increased or eliminated in the virtual office of the Ripple Maker Business Center, or by contacting customer service).

Once a Ripple Maker™ personally refers Six (6) LifeChangers Club Members, their ongoing \$15 monthly Ripple Maker™ Business Center (RMBC) fees are waived

*The 6 personal referrals must remain "Active" in order for Fees to remain waived

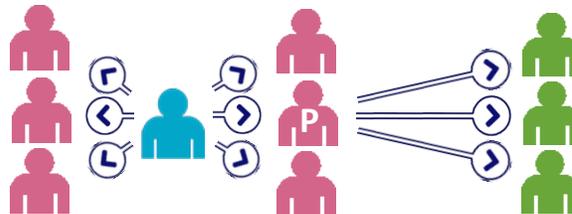

While no commissions are ever paid on Champion donations to The Foundation, all Champions are forever linked to the Ripple Maker™ who brought them into the ecosystem in order to calculate a portion of the "Track Your Ripple" total dollar amount for each RM.

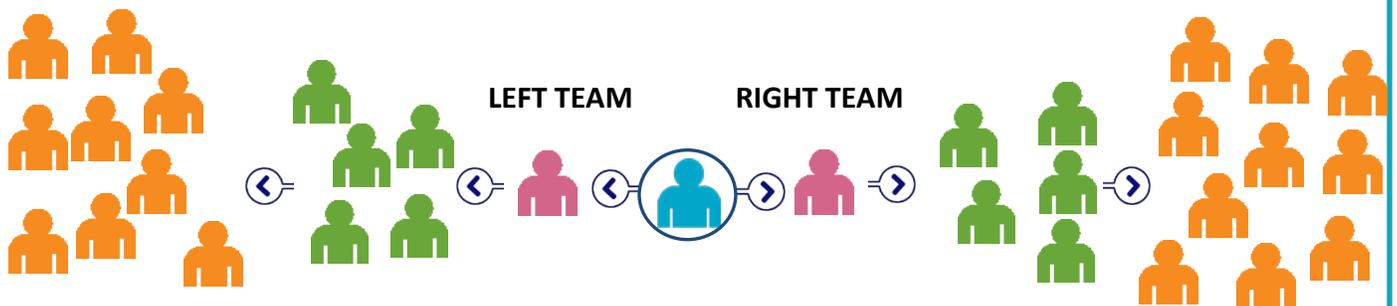

ENROLLMENT TREE DOWNLINE

Every time a RM enrolls another RM (who can also be an LC) or LC only, a new Enrollment Tree Downline Team “Leg” begins. A RM can start as many new Enrollment Tree Downline Legs as they wish. In the example below, a RM (blue) personally brings in 6 new RMs/LCs (pink); EACH of these 6 participants begin a new Enrollment Tree Downline Leg for blue. They would all be considered blue’s First Enrollment Tree Downline Level. One of the pink participants (P) enrolls 3 new RMs/LCs (green), which would begin 3 new Enrollment Tree Downline Legs for P; however, the green members would still be part of blue’s Enrollment Tree Downline as well; specifically the green members would be blue’s Second Enrollment Tree Downline Level, and so on.

TWO TEAM STRUCTURE (BINARY ORGANIZATION)

To keep the business building structure simple and enhance overall team synergy, a RM will only build, at most, two teams – for simplicity, we can refer to them as a RIGHT Team and LEFT Team. These are sometimes referred to as RIGHT Leg and LEFT Leg. ONLY RMs and LCs go into the Binary Structure. As mentioned, Donors (Champions) are also all accounted for and linked through the Virtual Office, but are not inserted into the Binary Structure. By default, a new RM or LC will be placed on the same team as their enroller was placed on when they came into the system. Don’t worry, your upline leadership will help you figure it out, if needed! Nobody is born knowing this stuff...Teamwork makes the Dream work!

PAYMENT PERIODS

Ripple Makers™ are paid both *Weekly* and *Monthly*.

Each weekly commission period begins at 12:00 AM on Saturday morning and ends at 11:59pm on Friday evening **Central Time**. Weekly commission runs will be performed on Fridays for the week ending two weeks earlier due to our generous full refund policy.

Monthly commission runs will be performed by the 15th of the following month for the previous calendar month’s transactions.

WAYS TO EARN (PAID WEEKLY)

Direct Commissions (DC)

Direct Commissions of **\$25 EACH** are paid to the enrolling Ripple Maker™ of the participant who pays for the activation/first month of a LifeChangers Club (LC) Membership. There is no limit to the number of Direct Commissions a Ripple Maker™ can earn.

Team Bonuses

To earn a Team Bonus, a Ripple Maker™ (RM) must be Active *and* Bonus Qualified. An Active RM is an independent representative who has simply either: 1) paid their last \$15 monthly Ripple Maker™ Business Center (RMBC) fee, or 2) has personally sponsored six (6) or more active LifeChangers Club (LC) Members in order to waive RMBC monthly fees.

A RM is Bonus Qualified if they have personally enrolled three (3) or more LifeChangers Club Members (which also waives their monthly LifeChanger (LC) membership if they are also an LC).

Team Bonuses are paid weekly as a percentage (10-12%) of a RM's Pay Leg Volume (PLV). PLV is the *smaller* of a RM's Left Team Commissionable Volume (CV) and Right Team CV, subject to the maximum payouts in the Rank Promotions Table below. Currently, Commissionable Volume (CV) is derived from the initial (\$200 CV) and monthly (\$40 CV) LifeChanger Club Membership fees (in Phase II of our ecosystem expansion, our Purpose-Driven Products and Preferred Product Offerings available to ALL participants will generate even more CV!). The weekly Team Bonus percentage payout (10-12%) and maximum weekly payouts are determined by the RM's Paid-As Rank, which is the highest rank for which a RM is qualified in a weekly commission period.

In the example below, the RM's Left Team would be his/her weekly Pay Leg Volume (PLV), since it is the smaller of the Left Team CV versus Right Team CV. Consequently, based on the RM's Paid-As Rank, per the Rank Promotions Table below, this RM would earn 10-12% of the Commissionable Volume (CV) of the entire Left Team for this pay week.

Team Matching Bonuses (MB)

Team Matching Bonuses (MB) are an exciting way for Ripple Makers™ to benefit TOGETHER by supporting the success of their Enrollment Tree Downline, regardless of Left Team or Right Team positioning! To earn Team Matching Bonuses, a Ripple Maker™ must be Active, Qualified, and paid at the rank of *Premier* or higher. Refer to Page 11 for in-depth Rank Promotions Table.

Team Matching Bonuses (MB) are paid as a percentage of the weekly Team Bonuses earned on active levels of Ripple Makers™ in one's Enrollment Tree Downline. Let's look at the TEAM MATCHING BONUS (MB) TABLE below first and then we will show it's powerful simplicity:

TEAM MATCHING BONUS (MB) TABLE						
WEEKLY PAID-AS RANK	MB LEVEL 1	MB LEVEL 2	MB LEVEL 3	MB LEVEL 4	MB LEVEL 5	MB LEVEL 6
ACTIVE	-	-	-	-	-	-
QUALIFIED	-	-	-	-	-	-
ADVANCED	-	-	-	-	-	-
DISTINGUISHED	-	-	-	-	-	-
PROFESSIONAL	-	-	-	-	-	-
PREMIER	5%	5%	-	-	-	-
PREMIER MASTER	5%	5%	5%	-	-	-
ELITE	5%	5%	5%	5%	-	-
ELITE TRAILBLAZER	5%	5%	5%	5%	5%	-
LEGACY	5%	5%	5%	5%	5%	5%

Let's say that a Ripple Maker™ (RM) who has personally enrolled 12 other RMs achieves the rank of *Premier* in a week. For that week, this RM would get a 5% check match on ALL of the weekly Team Bonus amounts of ALL 12 of their personal RM enrollments. Personally enrolled RMs #1-12, along with their hypothetical Team Bonus commissions for the week, and corresponding Team Matching Bonus for the enrolling RM are shown below:

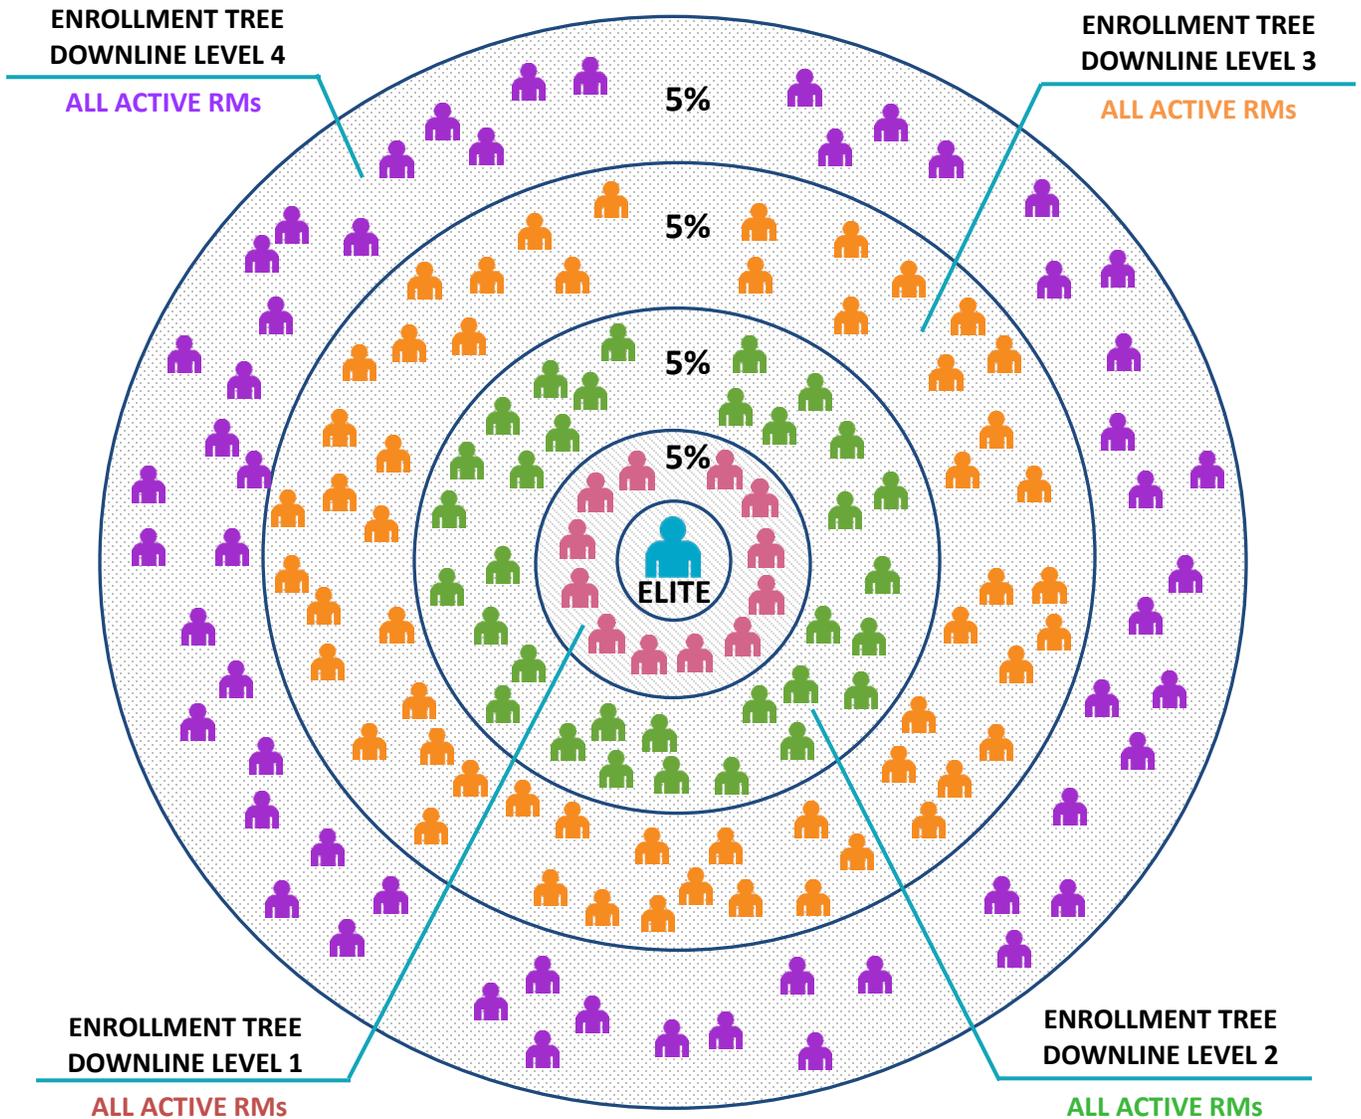

PERSONALLY ENROLLED RMs	THEIR TEAM BONUS (\$)*	5% MB PAID TO ENROLLER	PERSONALLY ENROLLED RMs	THEIR TEAM BONUS (\$)*	5% MB PAID TO ENROLLER
RM #1	-	-	RM #7	\$385	\$19.25
RM #2	\$120	\$6	RM #8	-	-
RM #3	\$85	\$4.25	RM #9	\$75	\$3.75
RM #4	\$20	\$1	RM #10	\$20	\$1
RM #5	-	-	RM #11	\$215	\$10.75
RM #6	\$180	\$9	RM #12	-	-
		\$20.25			\$34.75

*This is a completely hypothetical example for teaching and clarity purposes. There is absolutely no guarantee of ANY income, including Team Matching Bonuses. Results vary based on personal effort, skills, attitude, other factors.

In this hypothetical example, the RM reaching the rank of *Premier*, who enrolled these 12 other RMs, would get a Team Matching Bonus of $(\$20.25 + \$34.75) = \$55$ for the week, as he/she shares in the success of supporting their Enrollment Tree Downline!

The Team Matching Bonuses can become much more significant based on enrolling RM Rank Advancements and overall team growth.

In this same illustration, if the same RM achieves the rank of *Elite*, they would then earn 5% Team Matching Bonuses on FOUR levels of active RMs in their Enrollment Tree Downline:

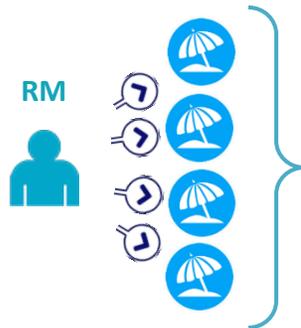

*This is a completely hypothetical example for teaching and clarity purposes. There is absolutely no guarantee of ANY income, including Team Matching Bonuses. Results vary based on personal effort, skills, attitude, other factors.

WAYS TO EARN (PAID MONTHLY)

Double Direct Commissions (DDC)

Whenever a RM personally enrolls FOUR (4) or more LifeChangers Club Members (who can also be RMs themselves) in a calendar month, the \$25 Direct Commission will be doubled. There is no limit to Double Direct Commissions earned in a month.

**IF THE 4 (OR MORE) LC ENROLLMENTS OCCUR
IN CALENDAR MONTH:**

**EACH \$25 DIRECT COMMISSION PAID WEEKLY
\$25 X 4 DDC = \$100
PAID 15TH OF FOLLOWING MONTH**

Ten To Win Bonus

When an active Ripple Maker™ (RM) has achieved TEN (10) TOTAL personally enrolled active LifeChangers (LC) Club Members (who can also be RMs themselves) within a calendar month (please note they do not have to all be enrolled in that month, but rather a cumulative total), the enrolling RM will earn a one-time \$250 Ten To Win Bonus!

**ACTIVE PERSONALLY ENROLLED
LCs IN A CALENDAR MONTH
= \$250 TEN TO WIN BONUS**

LifeChanger Bonuses

A RM may earn in one of two *monthly* LifeChanger Bonuses below, based on Enrollment Tree Commissionable Volume (TV). TV represents ALL of the sum of a RM's Personal Commissionable Volume AND the Personal Commissionable Volume of all RMs in their Enrollment Tree Downline. In order to participate in the LifeChanger Bonuses, a RM must be active and qualified (at least 3 active LifeChanger Club membership enrollments):

1ST WAVE BONUS

**\$2000 TV (RIGHT + LEFT TEAMS)
MAXIMUM CV ALLOWED**

**PER ENROLLMENT TREE DOWNLINE LEG = \$1200
1ST WAVE LIFECHANGER BONUS AMOUNT = \$200**

2ND WAVE BONUS

**\$4000 TV (RIGHT + LEFT TEAMS)
MAXIMUM CV ALLOWED**

**PER ENROLLMENT TREE DOWNLINE LEG = \$2400
2ND WAVE LIFECHANGER BONUS AMOUNT = \$400**

TOP LEADERSHIP PROFIT SHARING POOL BONUSES (PAID WEEKLY)

Servant leaders who work hard to achieve the top ranks in our Rewards Plan collectively share in the total revenue of the company! *Refer to Page 11 for in-depth Rank Promotions Table.*

Each week, 1% of the Company Commissionable Volume (CCV), which is currently generated from initial orders of LifeChangers Memberships (\$200 CV) and monthly orders (\$40 CV), will be made available in the Premier, Elite, and Legacy Profit Sharing Pools. (As mentioned, in Phase II of our ecosystem expansion, our Purpose-Driven Products and Preferred Product Offerings available to ALL participants will generate even more CV!).

Ripple Makers™ who achieve the rank of Premier, Elite, or Legacy are eligible to earn shares in *each* pool as follows:

PREMIER		EQUAL SHARES – 1 FOR EACH PARTICIPANT
ELITE		EQUAL SHARES – 1 FOR EACH PARTICIPANT
LEGACY		PROPORTIONAL – PARTICIPANT’S ADJUSTED ENROLLMENT TREE CV FOR PAID-AS RANK DIVIDED BY THE SUM OF ADJUSTED ENROLLMENT CV FOR ALL PARTICIPANTS

TRACK YOUR RIPPLE™ (CALCULATED MONTHLY)

While the income opportunity can be substantial for those who are passionate and work hard, our Movement will never recognize Ripple Makers™ publicly for monetary achievements. Rather, we will celebrate the “Ripple Effect” of our participants’ contributions to our 501(C)(3) Foundation. Specifically, the Track Your Ripple™ feature in the Virtual Office will allow Ripple Makers™ (RM), Champions (Donors), and LifeChangers (LC) Club Members to see the monthly and cumulative total impact their efforts have had on our Global GameChangers Foundation and lives we impact together.

Calculating Track Your Ripple™ Amount

Every LC Club Member generates a \$20 “Ripple” to the Foundation from initial \$250 activation; each recurring \$45 membership fee generates \$5 “Ripple” to the Foundation; after an LC (who can also be a RM) waives their monthly membership fees by referring at least 3 other LCs (which would also increase the enrolling LC’s Track Your Ripple™ amount along these same parameters), they by default continue to donate \$5 to the Foundation. An LC can “Increase Their Ripple” in their Virtual Office at any time, by increasing their monthly donation amount.

A Champion can commit \$5-\$100 per month to our Foundation. 100% of this money, just as the money directed to the Foundation from LC Club Memberships, is given to our vetted strategic charity partners. The entire donation amount from each Champion is calculated into the Track Your Ripple™ amount. A Champion can “Increase Their Ripple” in their Virtual Office at any time, by increasing their monthly donation amount. A Champion can also bring on other Champions to increase the sponsoring Champion’s Track Your Ripple™ amount as well.

A RM’s Track Your Ripple™ amount is calculated from the participation of their entire Enrollment Tree Downline, including Champions! Every time a RM brings on new LCs, new Champions, and new RMs who also do the same, the initial RMs Track Your Ripple™ amount – and the number of lives impacted – increases! Now, that is worth celebrating!

(Phase II of our ecosystem growth will allow for even greater Track Your Ripple™ calculations as *each* purchase of Purpose-Driven Products and Preferred Partner Offerings will continue to increase the amount!)

*This is a completely hypothetical illustration for teaching and clarity purposes. There is absolutely no guarantee of ANY duplication or income. Results vary based on personal effort, skills, attitude, other factors.

Global GameChangers
— A GLOBAL FORCE FOR GOOD —

DEFINITIONS (FOR ALL YOU ANALYTICALS WHO LOVE THE DETAILS) 😊

Accumulated Left Team Volume is the total of all commissionable volume (CV) credited to a Ripple Maker's™ (RM) left team during a single week plus the unpaid left team volume carried forward from the previous week. The CV currently comes from all of the LifeChanger (LC) Memberships throughout the entire left team. As long as a RM is *Active*, left team volume will accumulate, even if the RM is not *Qualified*.

Accumulated Right Team Volume is the total of all CV credited to a RM's right team during a single week plus the unpaid right team volume carried forward from the previous week. The CV currently comes from all of the LC Memberships throughout the entire right team. As long as a RM is *Active*, right team volume will accumulate, even if the RM is not *Qualified*.

Active (ACT) status can refer to both LCs and RMs. An active RM (who can also be a LC) is one who has either: 1) paid their last RMBC monthly fee, or 2) has personally sponsored at least 6 active LC members and waived their RMBC monthly fee moving forward. An active LC club member is one who has either: 1) paid their last monthly LC membership fee, or 2) has personally referred at least 2 active other LC club members in order to waive his/her monthly fees moving forward.

Binary Organization simply refers to the two team structure that a RM builds – a left team and a right team. There are only two positions below each binary participant (RM, LC, or RM + LC). A RM can change the placement preference of where new RMs and LC club members are placed in their Virtual Office. By default, a new RM or LC club member will be placed on the same team as where their upline sponsorship was placed when they enrolled. Team Bonuses are paid through the binary structure. All other bonuses are paid through the Enrollment Tree Downline.

Commissionable Volume (CV) is the dollar amount placed in the binary organization – right team or left team – from which RMs can earn Team Bonuses, Rank Promotions, and other Rewards. Currently, CV comes only from LifeChanger (LC) club memberships. A new enrollment activation of \$250 generates 200 CV in the binary. Please remember that \$20 of the \$250 goes to The Global GameChangers 501(C)(3) Foundation and \$25 goes to the sponsoring Ripple Maker™. In addition, \$40 out of the \$45 monthly LC membership counts as CV, as \$5 is directed to our Foundation. In Phase II of our ecosystem expansion, our Purpose-Driven Products and Preferred Product Offerings available to ALL participants will generate even more CV!

Enrollment Tree Downline is a RM's personal enrollment tree of other RM's (who can also be LCs) and LCs. In addition to the binary structure, Global GameChangers also has an Enrollment Tree Structure, where EACH participant personally enrolled is placed in the first level downline of the enroller. In the enrollment tree structure, there is no width limit. This can be quite exciting in terms of the Team Matching Bonuses!

Enrollment Tree Downline Leg includes a personally enrolled RM (who can also be a LC) and LC club member, and all of their Enrollment Tree Downline participants.

Enrollment Tree Upline is a term used to describe the participant who is the enroller of the participant, his/her enroller, and all of the enrollers of these enrollers in the Enrollment Tree until reaching the top of the genealogy, The Global GameChangers 501(C)(3) Foundation.

First In, First Out determines which CV will be flushed out of the binary organization if commissions are not earned upon the CV within 26 weeks of the date generated. CV that is “first in” will be flushed out 26 weeks later, with the next CV generated flushed out 26 later, in order to provide for the maximum amount of time to earn commissions.

Flushing means that all CV is removed from a RM’s right and/or left team. There are only 3 ways that CV can be flushed out of a RM’s organization: 1) When a RM has not paid their Ripple Maker™ Business Center (RMBC) fees for 3 or more consecutive weeks after payment was initially due (i.e. *inactive* for 3 or more consecutive weeks), all of their CV will be flushed; 2) When the weekly Team Bonus exceeds the maximum for the RM’s paid-as rank, the excess CV not paid upon will be flushed from their right or left team; 3) All Banked Left and Banked Right Volume this is 26 weeks old will flush. Again, this is all done to protect the integrity of our Rewards Plan and help ensure that no changes must be made later in order to maximize our movement. Since LC members only are ineligible to receive Rewards Plan earnings, ALL of their CV is flushed each week.

Left Team Volume is the total of all CV credited to a RM from the personal CV of all participants in his/her left team during a single week.

Lifetime Rank is the highest weekly Paid-As Rank that a Ripple Maker™ (RM) has ever earned in the Rewards Plan.

Paid-As Rank refers to the *weekly* rank achieved to calculate commissions for that week, as defined in the parameters of the *Rank Titles and Promotions Table* above. All RMs are paid based on their paid-as rank.

Pay Leg Volume (PLV) is the smaller of a RM’s Accumulated Left Team Volume and Accumulated Right Team Volume in a commission week.

Qualified (Bonus Qualified or QUA) refers to a RM who has at least 3 personally enrolled active LifeChanger (LC) Club Members. Only Qualified RMs or above are eligible to earn Team Bonuses.

Right Team Volume is the total of all CV credited to a RM from the personal CV of all participants in his/her right team during a single week.

Ripple Maker™ Business Center (RMBC) is the name of the online virtual office of Ripple Makers™, an intuitive support tool to help them to run their Global GameChangers independent business.

Team Bonus Payout Cap refers to the fact that a RM will not be paid more than the maximum Team Bonuses amount for his/her paid-as rank for the week. *The Rank Titles and Promotions Table* above provides the specific payout caps per paid-as rank. The payout caps maintain the integrity of the Rewards Plan and encourage RMs to continue to develop servant leaders.

Unpaid Left Team Volume (Banked Left) is the total of left team commissionable volume (CV) that is carried forward from the previous week's commission run.

Unpaid Right Team Volume (Banked Right) is the total of right team CV that is carried forward from the previous week's commission run.
